

Open Meeting Law Training - 2013

On Wednesday, July 24, 2013 we hosted an important Open Meeting Law training session at the Senior Center which was run by Nina Pickering-Cook from the Town's law firm Anderson and Krieger. The event, which was very well attended by a broad spectrum of staff, board and committee volunteers, was televised live on PACTV.

All Town of Duxbury Employees, Board and Committee members, who weren't in attendance, are encouraged to watch the Open Meeting Law training replay, read the training materials, complete the certificate and submit it to the Town clerk for record keeping to ensure that we adhere to the most recent Open Meeting Law requirements.
