REVISED

MEMORANDUM

To: Boards of Health of Member Towns
From: Jo Ann M. Fawcett, Project Coordinator
Date: May 26, 2010
Re: Notification of mosquito adulticide applications

This is a revision of a memorandum I sent to you dated May 3, 2010. We have changed our answering service, effective June 1st. Therefore, the paragraph highlighted in red is the only change to this memo. The only change is the telephone number.

Enclosed please find the State Reclamation and Mosquito Control Board (SRB) Policy, voted on 2/26/02 related to public notification of mosquito adulticide applications. The purpose of our adulticiding program is to control nuisance and/or disease carrying adult mosquitoes. Our adult program will begin sometime after May 31st and continue until September 3rd unless mosquito-borne diseases occur.

The control material being used will be Duet ULV (EPA Reg. #1021-1795-8329) applied in ultra low volume sprayers at a rate of .62 oz. per acre.

The following number: 1-617-582-6219 is furnished, on a 24-hour basis from June 1 through October 31, to allow residents access to schedules and locations of adulticiding a day in advance to applications. I want to emphasize that this number will not be used to request spraying.

Our office will be open Monday-Friday between the hours of 8:00 a.m. to 3:00 p.m. for spraying requests and to obtain further information. Our office number is: 781-585-5450. We can also accept requests via fax, 24 hours a day, at 781-582-1276, our website www.plymouthmosquito.org or via mail at P.O. Box 72, Kingston, MA 02364.

As always, if you have any questions, please feel free to contact us.
