

Town of Duxbury, Massachusetts

OFFICE OF THE BOARD OF SELECTMEN AND TOWN MANAGER

COVID-19 cases in Duxbury *Friday, May 8, 2020*

NOTICE TO THE GENERAL PUBLIC:

The Town of Duxbury has been informed that as of today's date, there have been a total sixty-six (66) positive cases of COVID-19 in our community. Of these cases, 30 of these individuals have fully recovered and 8 of the individuals were tested positive for having the antibodies. Sadly, two (2) individuals have died as a result of having Coronavirus (COVID-19). Due to privacy requirements, the demographics of these cases will remain anonymous. The close contacts of these positive cases have been notified and are following CDC guidelines for self-quarantine.

This still remains a crucial time in infection control. Maintaining social distancing, limiting exposure to others, avoiding crowded places and vigilant handwashing are vital steps in slowing the spread of this disease.

The Massachusetts Department of Public Health (DPH) continues to work closely with the Centers for Disease Control and Prevention (CDC), other Federal agencies and our local Board of Health to share the most up to date information available. The DPH website is updated constantly with the latest guidance, including printable fact sheets in multiple languages at www.mass.gov/2019coronavirus.

Information about coronavirus, the virus that causes COVID-19 can be found at the Massachusetts Department of Public Health website, by calling 2-1-1 or visiting <https://mass211.org/> where citizens are able to live chat with a person. For specific questions, call the DPH Epidemiology Line at 24 hours a day/7 days a week at 617-983-6800.

The CDC website is <https://www.cdc.gov/coronavirus/2019-ncov/index.html>

We will continue to share information to ensure you are updated as broadly and quickly as possible. Please continue social distancing and personal hygiene efforts.

Respectfully submitted,

Rene' J. Read, Town Manager

Tracy Mayo, RS, Health Agent
