

The Duxbury Community Volunteer Award 2021

The Duxbury Community Volunteer Award celebrates and honors those, who through their volunteer efforts, exemplifies the best in us; a sense of caring and responsibility for others, a commitment to service, and a demonstration of citizenship.

This year, due to the Pandemic, we have found ourselves in a unique situation. Our community, like so many others, has been forced to respond to this crisis by rearranging and reorganizing our lives. The commitment to volunteerism this year has been incredible. Duxbury volunteers have selflessly given countless hours to the town and people of Duxbury during this difficult time.

Please consider nominating worthy groups and organizations for the 2021 Duxbury Community Volunteer Awards. However, if you feel that an individual went above and beyond, feel free to nominate him or her as well.

Please provide the information below and a statement describing the volunteer contributions of your nominee(s) and how they impacted the community.
