- 9 Q. How did you find out?
- 10 A. Duxbury Clipper, like most of the people in 11 Duxbury.
  - Q. And what was your wife's job at the time?
- 13 A. I believe she was the facility manager at 14 the time.
  - O. At North Hill?
  - A. Yes. I think the article actually was titled teed off about tee times, something like that.
    - Q. How was she involved in the controversy?
  - A. She was the lucky recipient of the person to be there on a daily basis to voice or be the sounding board of people that might be upset I guess.
- Q. When were you married? 22
- 23 A. 2005 July 23rd.
- 24 Q. Did you have any personal dealings with any

hitting into people, being courteous and respectful of others even though you may frequent the place more than other golfers.

Just 'cause you're a regular doesn't give you certain -- certain privileges that a paying customer that may play there once a month would have.

Q. What's the problem with fivesomes?

A. Pace of play. It's illegal I think actually USGA you can look it up. I think the foursome is the proper -- proper number. Although, some people would -- members actually at Whaling City as well as North Hill would argue that even though they're playing in a fivesome they play quicker than some of the foursomes so it should be okay.

But, you know, when you go out there and you see people playing in fivesomes and the pace of play is slow, that's the first thing that people see and want to complain about is that there's a fivesome that they're slowing everything down.

- Q. So it's strictly pace of play is the issue?
- 21 A. Yes, for the most part.
  - Q. Anything else?
  - A. Well, I think in the rules of golf it's a foursome is a foursome. There's no such thing as a

- people complaining about Johnson Golf's management of North Hill before 2008 let's say?
- A. Before 2008? 3
- O. Yeah. 4
  - A. Specifically I heard about the conversations that Amy Reuter had had with Mike Sales who was an ex-club champion, you know, talking about how great it was going to be once Johnson Golf was gone and things would be fun around there.

The complaining you really heard at that point was really geared towards the North Hill Men's Association as well who most of those guys were in the Thursday night league that's where most of the complaining or disgruntled golfers came from.

- Q. From that group? The Thursday night group?
- A. Thursday night, well, a lot of the guys that played in the Thursday night league were also in the North Hill Men's Association. A lot of those names were the ones that were on the letter.
  - Q. What were they complaining about?
- A. Well, the tee time policy was the first one and, essentially, they were complaining that you would -- I guess without insulting anybody hold them to a normal golfing atmosphere, no fivesomes, you know,

fivesome.

- Q. No, I understand. I'm just wondering that if that only -- as far as you know that's the only reason you don't have them is it slows the game down too much?
- A. In my opinion, I guess, that would be somewhat accurate, yeah.
- Q. Did you have -- in 2007, 2008 period did you hear from anyone personally that they were going to try to get rid of Johnson Golf?
- A. Indirectly, yes, you know, all hearsay for the most part. Nobody ever came up to me directly and said, you are not going to be here, but I had heard of conversations of people talking about how the town wanted to hire somebody else make sure we didn't get the contract.
- Q. Explain that to me. You heard conversations from other people telling you what they heard?
- A. Exactly, exactly. 19
- 20 Q. So who told you?
  - A. With Amy Reuter was one of them, other conversations with Doug and Joe of people that they had talked to over the years, and I think Doug mentioned some of this in his prior deposition, people

2	I mean, Michael Doolin in his deposition	2	A. The mural is that what it's called.
3	said it wasn't it was very crystal clear I think	3	Q. That's what it's called. It's got a big
4	I don't know what his exact words were but he had	4	mural.
5	mentioned that there was no secret in town how he felt	5	A. We were in the mural room.
6	about Johnson Golf Management, and he was head of the	6	Q. Who was there?
7	North Hill Advisory Committee when the specs were	7	A. I was there with Joe Eckstrom from Johnson
8	being written to go out for bid for the RFP that's in	8	Golf and we were sitting in the regular seats and
9	question right now.	9	Shawn Dahlen and Emmett Sheehan were up against the

11	deposition.	11	Q. So if you're looking at the stage, they're
12	A. Okay.	12	on you're right?
13	Q. I'm just wondering whether you, yourself,	13	A. They were on the right, exactly.
14	heard anything from anyone directly?	14	Q. Shawn and Emmett were there together?
15	A. I don't remember. I may have, probably,	15	A. Yea. Well, they weren't there together, but
16	did, but I don't have any specifics to back it up with	16	they sat next to each other.
17	at this time.	17	Q. So they sat. They were so you guys
18	Q. Did you have anything to do with the bid	18	were you were sitting in a chair with Joe?
19	preparation?	19	A. Yeah. And they were, approximately, five to
20	A. No.	20	ten feet away from us, maybe, a row or two chairwise
21	Q. What was your involvement, if any, in the	21	off to the side to the side right.
22	process once the first bids were rejected? Did you	22	Q. Who else was there?
23	have anything to do with the lawsuit?	23	A. Who else was there in the room?
24	A. In regards to?	24	Q. Yeah.
	Page 14		Page 16
1	Q. Anything.	1	A. Those are the only two that I recognized.
2	A. Anything.	2	There were some other bids going on at the time
3	Q. Yeah.	3	besides the IFB for North Hill.
4	A. I've sat in on I think the majority if not	4	Q. Oh, really.
5	all the hearings. I've attended the majority if not	5	A. Yes.
6	all of the depositions. I've reviewed pages and pages	6	Q. So this was a bid opening for
7	of documents of transcripts, old contracts, the RFP,	7	A. This was a bid opening for there was,
8	the evaluation. I pretty much scanned everything that	8	probably, about three or four bids. I don't know
9	is in the physical paper form.	9	exactly what the number was, but there was at least a
10	Q. For what purpose?	10	couple of other bids that were being opened, so we
11	A. To help out the company to spot any obvious	11	were patiently waiting to see what the opening of the
12	violations or what we would have concerns of	12	IFB for North Hill would be, but there were no
13	violations that are basically discriminating against	13	bidders.
14	Johnson Golf and not following the law.	14	Q. Who was conducting the bid opening?
15	Q. You had in one of the affidavits you	15	A. I believe to the best of my knowledge it was
16	talked about hearing Shawn Dahlen say something?	16	Scott Lambiase.
17	A. Yes.	17	Q. Where was he? Was he up on the stage?
18	Q. Tell me about that.	18	A. He was up on the podium where the selectmen
19	A. It was at the bid opening that he claims he	19	usually sit up in that area.
20	doesn't remember being at. He doesn't remember being	20	Q. Anybody with him or just him?
21	at the bid opening but	21	A. I'm not sure if Gordon was there. There
22	Q. Where was this bid opening?	22	were a couple of people there, but I don't exactly
23	A. It was the same place where the board of	23	remember specifically who else. There was probably
24	selectmen's meeting is.	24	about anywhere from I don't know eight to 12 people

Page 17 Page 19 1 in the room. 1 happened with North Hill so everything else is kind of 2 2 a blur. O. I'm interested in the podium now. 3 3 Q. Did they have this process in '08 when the A. Okay. 4 O. So on the podium Lambiase's up there. 4 bids were open? 5 5 Anybody else? A. I don't think so because the evaluations 6 6 A. I don't recall who else is up there. I can were different. If they did, I didn't attend. 7 7 specifically remember Scott -- to the best of my Q. That's the first one you had been to? 8 knowledge, Scott was up there and I know there was, 8 A. That was the first one I have been too and I 9 maybe, one or two other people, but I don't remember 9 remember being there. 10 who exactly they were. 10 Q. So they get to -- and I see in your Q. Do you know the date of this event? 11 affidavit it says it's February 17th --11 12 A. That should be actually in the first IFB or 12 A. Okay. in the affidavit of when the bid opening was going to Q. -- 2011? 13 13 14 14 A. Uh-huh. 15 15 Q. And Lambiase I take it says something about Q. Okay. And you're saying they're opening a 16 bunch of bids? 16 North Hill? 17 A. They were opening -- there was other 17 A. I think -- I think somebody -- I don't know 18 projects that they were doing at the time. 18 if it was Joe or if it was Scott asked about North Q. How did they do it? Hill, and they said there were no bids for North 19 19 20 20 A. Depending and you'd have to look Hill. specifically to what the work was 'cause I think the 21 21 And that's when Scott turned to Emmett and 22 -- depending on what the project was it might have 22 said, "What's the matter? Did you get cold feet." been different and I think most projects unlike the 23 23 Q. You mean Shawn? 2.4 24 golf course are low bid as opposed to high bid. A. Shawn turned to Emmett and said, "What's the Page 18 Page 20 1 So what they're doing is looking for a 1 matter? Did you get cold feet?" 2 qualified company that meets the specifications that 2 Q. All right. 3 is going to cost the town the least amount of money as 3 (Whereupon Mr. Kreiger left the opposed to getting money from someone. 4 4 proceedings). 5 5 Q. I'm actually asking about the process of bid A. And Emmett said, "I couldn't get a bond. I 6 opening. What happens? 6 couldn't get bonded." 7 A. They --7 Q. But do you recall Shawn asking about North 8 Q. Lambiase's up there. Okay. We're starting. 8 Hill? 9 A. And they -- they go over who they had, who 9 A. I don't think it was Shawn asking about was qualified, not qualified, then I think they North Hill. It may have been, but it was actually 10 10 just -- they would -- I think they took most of it 11 11 probably Joe Eckstrom. I think it was Joe. under advisement at that time. 12 12 Q. So you think possibly Joe asked what about 13 Q. So you mean they actually opened the bids 13 North Hill? And Lambiase says --14 and talked about -- who does he talk about them with? 14 A. There were no bids for North Hill. 15 A. Well, there's a couple of people up there. 15 Q. And then you overhear Shawn as he turns to There's a -- I don't know if there's a -- if they're 16 16 Emmett? 17 handing them back and forth to each other 'cause 17 A. To Emmett, yes. And we actually talked to 18 there's an envelope specific to each company that bid, 18 Emmett on the way out the door. 19 so there's, obviously, more than one person up there 19 Q. Did Joe hear this as well? 20 helping them review the documents as they put them in 20 A. Yes, yes, he did. 21 order 21 Q. And you talked to Emmett on the way out? 22 That particular part of the process to be 22 Yes. A. 23 honest I wasn't really paying attention to that 'cause 23 O. Tell me about it. 24 I was there for Johnson Golf waiting to hear what 24 A. It was more Joe talking to Emmett, and

8	And then he actually, you know, Joe and him	8	PAGE LINE CORRECTIONS, ADDITIONS AND/OR DELETIONS
9	got into some discussion about how the whole thing had	9
