COVID-19 Control plan

All businesses in the state of MA must develop a written control plan outlining how its workplace will comply with the mandatory safety standards for operation in the COVID-19 reopening period. This template may be filled out to meet that requirement. Control plans **do not** need to be submitted for approval but must be kept on premise and made available in the case of an inspection or outbreak.

All individually listed businesses must complete a control plan, even if the business is part of a larger corporation or entity.
