

DUXBURY VIRTUAL TREE LIGHTING
HOLIDAY SPECIAL PROGRAM
PACTV, DECEMBER 6TH AT 5:00 PM

**Santa asked Duxbury Rotary to gather
letters from children this year.**

Children are encouraged to write letters to Santa, and "post" them in a drop box outside Brothers Market or use the "Contact Santa" button at www.DuxburyRotary.com. Get your kids to write their letters now—those received before 11/20 will be read by Santa on the show!

Santa says to Duxbury kids, "I'll be there on December 6th, so get your letters ready for me!"

The Duxbury Rotary Holiday Special will be available on Community Television (Comcast 13 and Verizon 43) and on the PAC-TV Facebook page, at 5 pm on December 6th. To make the event a celebration that everyone can embrace, the Duxbury Rotary Holiday Special will include symbols from different faiths, including both a Christmas tree and a Menorah, and seasonal music from around the world.

This year's event will be dedicated to all the essential workers who've been serving the community throughout the pandemic. The event will end with a surprise thank you for them, so make sure you tune in!
