Town of Duxbury Board of Health Policy on Close Contacts

The Duxbury Board of Health at its meeting on May 20, 2021 voted to rescind the policy on close contacts as of May 29, 2021. This policy was voted on and approved on October 23, 2020 and was to be in place until the Board deemed it no longer necessary.

The Town of Duxbury Board of Health will continue to follow the CDC guidelines and definition of close contacts.
