Forum

- discussion of the Temple street property and what is the current status. Review of October Meeting Minutes
- Pam Campbell Smith made a motion to approve the minutes as is
- seconded and approved unanimously.

Status of 2020 Town meeting LHDC submission

Properties in the submission:

- 14 Powder Point Ave / Tarkiln Center / Johnathan Mark property 397 Washington Street / Nathaniel Winsor Senior House 405 Washington Street
- 14 Powder Point Ave submission rejected by the Mass Historical due to map clarity issues – Renée M sent to Valarie M for assistance with the map, and awaiting response.
- December 4th meeting still a go for the 3 other properties. 14 Powder Point will have to have a separate meeting before February 11th.

Discussion of submission for 14 Powder Point Ave

- Committee to pursue in the next week a map that will satisfy the requirements for Mass Historical Commission – otherwise it might require a second town meeting warrant article – one that covers the 3 properties and one for 14 Powder Point Ave.
- Possible place to get a better rendition of the map – Valerie M – Board of Health – Assessor's Office

New Business

- Phil T asked if we should try to leverage the Duxbury Rural & Historical Society in a more appropriate manner. Can we approach them for ways to support that will not mix our separate missions.
- Pam C asked if we should connect with Preserve Duxbury to help support our mission.
- Possible invite to meet with the LHDC in 2020.
- Janet to contact Carolyn R about MACRIS file and overlay with date boarded houses.

Motion to adjourn at 8:10 pm
