

TOWN OF DUXBURY WINTER SNOW REMOVAL REMINDER

When snow warnings are issued, residents are requested to park their cars off the street to avoid damage to the vehicle and to expedite plowing and sanding operations. Vehicles obstructing plowing or sanding operations will be towed at the owner's expense. **The Town is not responsible for damage to lawn areas, fences, steps, shrubs, trees or mailboxes that are located within the street layout.** Residents are urged to drive reflective stakes along the edge of their lawns to reduce damage. Residents may obtain sand at the Highway Garage for emergency use. Town trucks and contractors plowing for the Town may not plow driveways or private sidewalks.
