## DESIGN REVIEW BOARD

### NOTICE OF PUBLIC HEARING

The Design Review Board will hold a public hearing in the Merry Room at the Duxbury Free Library, 77 Alden Street, on Tuesday, June 11, 2019 at 7 pm for the purpose of presenting to the public our "Residential Design Guidelines" book.

This book was designed as a reference and guide for anyone who is renovating or building a home in Town. Subjects treated in the book include, but are not limited to, styles of homes old and new, rooflines, massing, windows, doors, trim, sightlines, returns, and dormers. This book will be available to builders, architects, realtors, and all our citizens.

All residents and interested parties are invited to make comments or present recommendations for consideration.

A copy of the proposed draft book will be available at the meeting and can be found on the Design Review Board's webpage at [www.town.duxbury.ma.us/design-review-board](http://www.town.duxbury.ma.us/design-review-board).

*Sarah McCormick,*  
Chair, Design Review Board
