1. Emergency Planning:

- a. **Sirens:** Report to Committee, DEMD and DNAC recommendation to Selectmen, Sept 17. Entergy contacted Duxbury notification sirens- either they keep the sirens and then be responsible to maintain and repair/replace them or that Entergy would take them down. We recommended taking them down because the Fire/Emergency Management Department's budget will not allow the expense to maintain the sirens-about \$8,000 a year and hardware replacement \$7 to 12 thousand. We do not know the condition of the 18 sirens. Alternative notification includes: Duxbury's rapid dialing calling system; Emergency Alert System; road alerts by bull horns; and the fire stations blasting its sirens. To do: Develop public notification protocol and educate public how notification will occur. education.
- b. **Legislation:** To do: Develop legislative strategy.
- c. **Other:**

2. Decommissioning

- a. **Cleanup Standard Update:** Letter to Secretary Sudders requesting that MDPH make regulation – next steps?
- b. **NRC call Sept 25 1:30 regarding license transfer application:** Committee members should be on call; review questions; follow up? (<https://www.nrc.gov/pmns/mtg?do=details&Code=20180982>)
- c. **Report NDCAP meeting**

3. **Annual Report**-review, due Sept 28

4. **Annual Town Meeting**- any article this year, if so what?
