** Public Comment: The Duxbury School Committee welcomes public comment and participation at School Committee meetings. There will be two opportunities during the meeting for members of the community to address issues of concern about policy, budget, or administrative matters, or simply share ideas about how we can work together to improve the Duxbury Public Schools. We value your input and respect divergent views; we only ask that you limit your remarks to two minutes and refrain from airing grievances about individual members of the School Committee or the school community.*
