Webinar ID: 889 3353 6369 Passcode: 657048

Telephone: US: +1 301 715 8592

Join us for a public meeting to discuss the Town of Duxbury's work on our Complete Streets Prioritization Plan.

During 2020, we introduced the Complete Streets Program and worked with Howard Stein Hudson to overview the existing conditions and gather feedback from the community. At this meeting, we will overview the public input received thus far and the preliminary project list.

The MassDOT Complete Streets Program is an initiative to help municipalities make infrastructure improvements to provide safe and accessible options for all travel modes for people of all ages and abilities.

Your input is a vital part of the process, so come learn about the proposed projects from our consultant team, Howard Stein Hudson, and share your vision for walking, biking, transit, and safety!
