## Colorado Crime Rise Blame Game

“Some Colorado lawmakers, police and legal experts partly blame the marijuana industry, claiming that it has lured transients and criminals to the state.”

*Denver Post*

# Opting Out

---

In ***Colorado*** **66%** of communities have opted out of the marijuana business.

In ***Oregon*** so far **79** towns and **16** of the 36 counties have opted out. (Nov 2017)
