

Duxbury Public Schools Strategic Planning Survey

Dear Duxbury Community,

As you may have heard, the Duxbury Public Schools is currently engaged in a strategic planning process, and we are seeking your input. Below is a link to a survey that was developed by the Strategic Planning Committee - it should take approximately ten (10) minutes to complete and is entirely anonymous. We hope you are willing to share your feedback and help us shape the future of our school district!

Help us spread the word: Note that a link to the survey is also posted on the district website, both on the [district home page](#) and as a “quick link” on individual school sites. Please help us spread the word to friends, neighbors, students, alumni, or anyone that would like to participate in the strategic planning process. We also encourage you to share the link on social media or any other platform, as we are trying to get the broadest reach possible. **The survey will be open until November 12, 2018.**

On behalf of the Strategic Planning Committee, I thank you for your time and attention, and for your commitment to the Duxbury Public Schools. I look forward to reading your feedback.

Sincerely,
John Antonucci
