Ready to join and start saving on prescription costs?

Give us a call and we'll confirm your eligibility in the program, check to see if your medication is available and answer any program questions that you may have!

ENROLLMENT

Enrolling is easy! Submit an enrollment form, prescription(s) and a copy of your photo ID. In order to have a continuous supply of medication on hand, please ask your doctor for a prescription for a 3-month quantity, with three refills. (A minimum 3-month prescription is required.)

We will call you once we receive your enrollment material to welcome you to the program and confirm: (a) your personal information; (b) medication availability; (c) shipping time, and; (d) refill schedule.

Enroll only once - and at any time!

REFILLS

Refills are not automatic, but they're easy - we call you! Before processing a refill we confirm how much medication you have on hand and whether you've had any health or medication changes. We contact you one month prior to ensure you always have a sufficient supply of medication.

PACK SIZES

As a safety feature, all medications are delivered in the original sealed package supplied from the brand name manufacturer's approved facility. Medications are dispensed and mailed directly to you by a licensed pharmacy in Canada, the United Kingdom or Australia. Pack sizes may vary from country to country, which we take into account when scheduling your refill call.

GENERIC MEDICATIONS

CANARX only offers brand name medications that represent savings. Generic medications may provide the greatest savings to your health plan. If you are currently using a generic medication, you are not eligible to order the brand name medication through this program.

SHIPPING

Your medication will be shipped direct from an international pharmacy to your home, via regular mail. Please allow 20 business days for your package to arrive.

Simple. Safe. Smart.
