BY-LAW GOVERNING THE DUXBURY PERSONNEL POLICIES

PART I GENERAL PROVISIONS

1. TITLE

The provisions of the By-law, Job Classifications Pay Ranges, Schedules and Guidelines appended hereto shall be known as the Town of Duxbury Personnel Policies (hereinafter referred to as the Plan), which shall govern the personnel practices of all appointed and/or elected officials of the Town with regard to all employees except those specifically exempted herein.

2. APPLICATION

The Plan shall apply to all employees except those positions under the direction and control of the School Committee, and those who have a separate employment contract with an appropriate authority; except where a collective bargaining agreement executed under the provisions of Massachusetts General Laws Chapter 150E contains a condition contrary to the provisions of the Plan. Provisions of the collective bargaining agreement shall prevail. Employees in positions certified as included in a collective bargaining unit shall be entitled only to those benefits as of the date of such certification. The Plan may be used as a guide for authorized officials in determining the compensation of, and personnel policies for, those employees exempted from this Plan. The purpose of the Plan is to provide guidelines to help ensure that sound human resource practices are applied equitably and reasonably and is not intended to be an employment contract. All employment is at will. The Plan is subject to unilateral changes as recommended by the Town Manager and approved by the Board of Selectmen. Employees shall not assume that any part of this Plan will remain in force.

3. DEFINITIONS

Probationary Employees are those who are new to employment with the Town of Duxbury. A probationary period applies to the first six (6) months. (There is no specific probationary period for promoted or transferred Personnel employees.) This probationary period shall be extended by the numbers of days absent from work for any reason during this period, or if any training or other requirements are not met. If it becomes apparent at any time during this period that performance is not satisfactory, termination of employment may take place immediately.

However, in order to determine fitness for service, Call Firefighters must serve a minimum of one year probation and that period may be extended if the training requirements are not met in the first year.

Further, Permanent Intermittent Police Officers, as Civil Service positions, are required to serve a probationary period of eighteen (18) months.

Management Employees are those who are described in Part II, Management Provisions.

Non-Management Employees are those who are described in Part III, Non-Management Provisions.

Regular Full-time Employees are persons who regularly work at least 35 hours per week, or more than 1,040 hours per year, for a designated number of hours per week, for each week throughout the year, with overtime paid after 40 hours.

Regular Part-Time Employees are persons who regularly work less than 35 hours per week, but at least 20 hours per week throughout the year for a minimum of 1,040 hours per year. However, regular part time employees working fewer than 20 hours per week as of June 30, 2010 are eligible for paid vacation, personal and sick time on a pro-rata basis consistent with their regular work schedules. Employees hired after July 1, 2010 working fewer than 20 hours per week are ineligible for vacation, personal and sick time.

Permanent Intermittent Police Officers are persons considered either regular full-time or part-time employees, subject to their scheduling and usage by the Police Department. 'Intermittent' is a Commonwealth of

Massachusetts Department of Human Resources title that should not be confused with the Town's definition for 'regular intermittent employees'. Permanent Intermittent Police Officers who regularly work more than 20 hours per week are eligible for the Town's insurance benefits. Permanent Intermittent Police Officers hired before July 1, 2010 are also eligible to earn pro-rated paid time off benefits.

Regular Intermittent Employees are persons who work on an "as needed" basis determined by the workload in the department throughout the year.

Seasonal Employees are persons who are hired for specific periods of time due to seasonal demands.

Temporary Employees are persons who are hired for a limited period of time to replace regularly scheduled employees who might be absent for extended periods to assist during conditions caused by temporarily increased workloads.

Emergency Employees are persons who are hired for the duration of an emergency, which could result in the interruption of services essential to the health, safety, and welfare of the people of the town. In no event will these persons be employed beyond thirty (30) calendar days without the prior approval of the Town Manager.

Employee Work Schedule: The Department Head shall file a work schedule with the Town Manager to show the number of days and hours per day, each employee covered by the Plan shall be expected to work. This schedule shall be amended by the Department Head to reflect changes as they occur, and shall be filed in a timely manner with the Town Manager.

Breaks: All employees will receive at least one-half hour *unpaid* meal break if required to work more than six (6) hours per day. However this half hour is added onto the required work hours for the day. A part-time employee who works at least four (4) but less than six (6) hours shall be entitled to a fifteen (15) minute paid rest period.

4. TITLES OF POSITIONS

The job titles in the compensation schedules shall be the official titles of all positions in the Plan and shall be the only titles used in the administrative or employee records. All employees except those exempt under Paragraph two (2) must be classified under the Plan and paid only on the basis of duties actually performed.

5. DUTIES OF THE TOWN MANAGER

- a. The Town Manager shall develop and maintain written job descriptions for all positions, which shall describe the primary responsibilities, general duties, and requirements for filling jobs.
- b. The Town Manager may add new jobs to the Plan or reclassify existing jobs and authorize new rates for the new jobs.
- c. The Town Manager shall be responsible for establishing pay rates and salary ranges for all employees covered by the Plan unless otherwise provided herein.
- d. Department Heads shall periodically review the written job descriptions under their jurisdiction and notify the Town Manager if any job description needs revision. The Town Manager, at least every three years, shall compare jobs subject to the Plan with their job description.

6. HIRING OF NEW EMPLOYEES

All new employees (not existing employees transferring into new positions), except Emergency hires, shall establish their fitness for service with the Town by serving a six (6) month probationary period which shall commence on the first day of work

Probationary employees shall be eligible for participation in the Group Health Insurance Program if they meet the conditions of the program.

Employees shall be hired in accordance with the Pay Guidelines, detailed in Appendix A.

No position subject to this plan shall be filled (other than Emergency and Temporary hiring and where otherwise specified within the Plan) until such hiring has first been posted for seven (7) working days at the Office of the Town Clerk and the offices of the Department where the vacancy occurs and interested volunteers, regular full-time and regular part-time employees' qualifications have been considered. Should such vacancy not be filled from within during these seven (7) working days, then such vacancy will be advertised in newspapers for at least two consecutive weeks.

All applicants may be required to pass a pre-employment physical examination, drug test given by a physician at the Town's expense and CORI and background checks.

No terms or conditions of employment other than those set forth in the Plan shall be offered to any applicants.

7. SPECIAL HIRING (subject to Pay Guidelines, Appendix A)

a. Emergency Employee Hiring

In times of emergency, for a period not to exceed one week, the appropriate Department Head is authorized to hire Emergency Employees necessary to prevent the interruption of essential Town services. At all times the rate of pay should be reasonable and consistent with the applicable rate ranges outlined in PART IV, Pay Schedule.

b. Temporary Hiring

Employees needed to meet conditions caused by seasonal workloads illness, or absence of regular employees may be hired. The Department Head may utilize the existing hiring process and notify the Town Manager, Finance Director and Human Resources Director of the need for such hiring, and the anticipated duration of employment. The temporary hiring shall utilize the appropriate pay grade, but not exceed the rate of pay of the incumbent. The temporary employee shall be released at the earliest possible time, but no later than the return of the regular employee.

c. Notification

The Department Head shall notify the Town Manager, Human Resources Director and Finance Director about the need for and duration of either Emergency or Temporary hiring before any employment offer is made.

Such employee shall be subject to a probationary period as stated in Part I Section 3 "Probationary Employee." An employee who resigns and is subsequently rehired shall be entitled to benefits based on the date of re-hire. An employee separated for cause will not be rehired to any Town position without prior approval of the Town Manager. Employees who leave employment and are subsequently rehired lose any grandfathering status previously offered.

b. Transfer and Promotion

Employees will not lose accrued paid time off (vacation, sick and compensatory time) acquired in another Duxbury municipal department when transferring to or from the Non-union Employee Plan or a collective bargaining unit.

- (1) The maximum may be given when the Department Head declines the offer of the employee to work out their notice period. Termination pay may not exceed the amount the employees would have earned had they been able to work out their notice period.
- (2) If employees resign and work their two-week notice period, they are not entitled to termination pay.

9. GRIEVANCE PROCEDURE

Step 1: An employee who alleges a grievance shall, within five (5) working days of such grievance, file a written statement of the cause of complaint with their Department Head and the Town Manager. The Department Head shall immediately confer with the aggrieved employee and, within ten (10) days of receipt of the written complaint, render in writing to the Town Manager his/her recommendations to resolve the grievance.

Step 2: If the employee disagrees with the recommendations, they shall, within five (5) working days of receipt of same, submit their written response to the Town Manager and their Department Head. Within fifteen (15) working days the Town Manager shall render a written decision on the alleged grievance, including any adjustments necessary to satisfy said grievance.

Step 3: The aggrieved employee (except in a discharge action) who may not be satisfied with the decision after Step 2, may, within fifteen days request, in writing, a review of the decision by the Board of Selectmen. The decision after Step 2, if not appealed within the time allowed, or after Step 3, shall be final, binding, and immediate, unless it involves the expenditure of monies in excess of, or contrary to, the purposes for which monies were appropriated at a Town Meeting.

10. COMPENSATORY TIME

FLSA exempt employees - Compensatory time is not available to FLSA exempt employees. Therefore, compensatory time cannot be earned, taken or submitted to the Town by FLSA exempt employees. This does not prevent recognition of extraordinary work hours substantially in excess of an exempt employee's regular work commitment. In such circumstances, only the Town Manager may grant time off with pay. This will require the Department Head to submit the requested time in writing to the Town Manager and the Human Resources Director for review. This request must detail when and why the extraordinary work hours were required, how much time is being requested and when it will be used. If as a result, this time is granted it must be taken by the employee within thirty (30) calendar days. In the event that the employee leaves the Town's employ before that time period, there will be no payout of this time to the employee.

FLSA non-exempt employees - Compensatory time is available to FLSA non-exempt employees. It is earned as straight time for hours worked beyond thirty-seven and one half (37.5) and up to forty (40) hours per week. After forty (40) hours compensatory time is earned at time and one half. All compensatory time earned must be taken within thirty (30) calendar days of it being earned.

11. FLEX TIME

Flex time allows for the variance of arrival and departure times from the standard work hours, while still requiring a standard-length work day. The Department Head will determine the 'core period' - hours in a workday when all Employees are needed, meetings are likely to be scheduled, customer contact is heaviest, etc. Flex time options include the proposal of; a consistent start and end time every day, a change of start and end time at some logical interval depending upon the operational needs of the Department or a variable start and end time as the job and Department operation allows. Flex time does not include compressed work weeks (four 10-hour days instead of five 8-hour days) or telecommuting (working from home or a location close to home).

Each Department Head must determine if the use of flex time will facilitate the internal and external customer expectations and operational needs of their Department. As such, any flex time arrangement must be mutually beneficial to the Department and employee and enhance the performance and quality standards of both. Flex time arrangements may vary according to the needs of the Department, job, or individual. Such arrangements must ensure adequate coverage for the Department during the established hours of operation, have a positive or neutral effect, and no negative effect on the operation of the Department. As such, flex time may be available to

active, regular, FLSA exempt or non-exempt Personnel employees who are in good standing, and meet or exceed the performance standards for their job.

Employees seeking to, initiate, modify or discontinue a flex time arrangement must do so by submitting a formal request in writing to his/her Supervisor, Department Head, Town Manager and Human Resources Director, outlining; the appropriateness of the request, demands of the work environment, job requirements and nature of the job, operational needs of the Department, supervisory requirement, coverage of the Department, a plan to maintain their work requirement at an acceptable level, expected impact on the needs of the Department (public/customer, co-workers, budget and supervisor), identification of any potential problems or obstacles and strategies for dealing with them, a plan for evaluating the arrangement, and the need to modify or discontinue as necessary. The reason for the request must not be the basis of the decision-making process. Consequently, requests will be analyzed only on an operational, not on a personal basis. The Supervisor, Department Head, Town Manager and Human Resources Director will review each request and respond to the employee with one of the following determinations:

- a. approval of request, outlining the basis for the decision with a copy to the employee's file
- b. modification of request, outlining the basis for the decision, the changes necessary to approve the request with a copy to the employee's file
- c. denial of request, outlining the basis for the decision with a copy to the employee's file

The approval, or use of flex time, does not create an employment agreement, it is not an entitlement or an employee benefit. Flex time can be modified or terminated at any time, but only after review and approval from the Supervisor, Department Head, Town Manager and Human Resources Director. As much advanced notice as possible will be provided in such instances.

12. HOLIDAYS (Management and Non-Management employees will be eligible for the same holidays.)

Regular employees working at least 20 hours per week (or regular part time employees hired before June 30, 2010 working fewer than 20 hours per week) shall be granted the following twelve paid holidays each year:

New Year's Day	Memorial Day	Columbus Day
Martin Luther King, Jr. Day	Juneteenth Independence Day	Veteran's Day
President's Day	Independence Day	Thanksgiving Day
Patriot's Day	Labor Day	Christmas Day

Holidays falling on Sunday shall be celebrated on Monday and holidays falling on Saturday shall be celebrated on Friday. Employees under Schedule P.S., required to work on any of the above-specified holidays, shall be paid holiday pay at their regular straight time rate in addition to their regular pay for that day.

Holidays falling on a day that a full-time employee is not scheduled by their supervisor to work will provide the employee with another day off to be scheduled in advance for a mutually agreeable day. Additionally, if an employee is scheduled to work on a holiday, they will be awarded another day off to be scheduled in advance for a mutually agreeable day.

The day after Thanksgiving is a paid day off for regular employees working at least 20 hours per week (or regular part time employees hired before June 30, 2010 working fewer than 20 hours per week).

Full-time employees who are required to work on an emergency basis on Thanksgiving Day, Christmas Day, or New Year's Day shall be paid at the rate of time and one-half in addition to the holiday pay.

Eligible regular part-time employees working 20 or more hours per week shall receive no less than five paid holidays per year, to be accommodated through scheduling by the Department Head.

Part-Time Intermittent, and Seasonal employees, except those in Schedules A, B, and R, shall be granted holiday pay if their regular work schedule calls for working on the holiday. If on a part-time schedule, payment will be made for the number of hours the employee would have been scheduled to work had the day not been a holiday.

If the holiday occurs during an employee's vacation, the holiday shall not be considered a vacation day. If the holiday falls within a period of sick leave, the employee shall receive holiday pay for the day in question and will not be charged with a sick day.

If the employee's department closes early on the eve of any of the holidays listed above, any employee otherwise scheduled to work the eve of the holiday after the Department is closed will be paid their regular pay for those hours.

Permanent Intermittent Police Officers, Special Police Officers, Part-time Public Safety Dispatchers, will be compensated at double time for any shifts worked on Christmas, Thanksgiving, or the 4th of July, regardless of hours worked that pay period.

Any paid leave usage under this provision will be deducted from the employee's accrued time. If the employee exhausts paid leave while on Worker's Compensation, the only payment will be Worker's Compensation.

- i. The Town will purchase uniforms for employees of departments that require them, which may include the purchase of rubber boots, shoes and other outer clothing necessary to perform duties during the course of their employment.
- j. Employees can expect to be treated professionally, fairly and with civility. Together we can ensure that our work environment remains increasingly respectful, collaborative and productive. The Town's conflict resolution process encourages employees to work out issues directly with each other on an individual basis. If no resolution is reached, employees should talk with their supervisor for further assistance. If there is no resolution the Human Resources Director should be contacted.
- k. Seniority will not be broken by vacations, sick leave or authorized leave of absence, except the seniority accumulation shall cease after two (2) calendar years of leave. Requests will be submitted to the Department Head, when possible, at least thirty (30) days before the meeting or workshop, but if the request is made less than thirty (30) days the supervisor may still consider the request.
- o. An employee who is required to attend a religious observance or practice as a tenet of an established religion, will be permitted, based on operation considerations, to flex his/her schedule with the prior approval of the Department Head, or to take the day off without pay or use accrued personal or vacation days. If the day is taken without pay, the day will be treated as a paid day for the purpose of determining benefit entitlement, and/or towards calculating health insurance benefits.
- p. Any employee who is scheduled, but is unable to report to work, is required to inform his/her supervisor at least two hours before his/her scheduled shift on each day of absence unless other arrangements are made by the employee and supervisor stating the nature of the absence and expected to return to work date.

Feature	Description
Objective	To ensure jobs are assigned to a grade consistent with the associated level of skill, responsibility, risk, knowledge/expertise, problem solving ability, autonomy/supervision, education, internal and external equity, as well as the internal value placed on the job.
Considerations	<p>Job evaluation is the process by which the value of a job is determined. Merit pay is not available to Employees with a "Does not meet performance standards" rating, or below. If the two opinions differ, the Town may require a third opinion, which will be final and binding, from a health care provider mutually agreed upon by the employee and the Town and at the Town's expense.

Re-certification by the health care provider is required every thirty days. Re-certification must include the same information contained in the initial certification.

Appendix B

Leaves (continued)

PAID LEAVE AND BENEFITS

In all circumstances, accrued vacation, personal and compensatory time must be used during qualified FMLA leave. In addition, sick leave must also be used to care for the employee's own serious health condition. Upon depletion of the available accrued paid leave, FMLA leave becomes unpaid leave. It is the total of this time, which will equal the twelve weeks of FMLA leave. During any portion of FMLA leave to which the accrued paid leave is applied, the employee will continue to accrue benefits and seniority. During any portion of FMLA leave, which is unpaid, the employee will not accrue benefits and seniority.

The Town will continue the contribution to the employee's group health plan during the FMLA leave unless the employee advised that he/she will not be returning to work. The employee will have his/her contribution deducted from the applied paid leave. Upon the depletion of said leave, and if the leave becomes unpaid, the employee must make arrangements to pay 102% of their health insurance premiums, unless the leave continues because of their own illness. These arrangements must be made in advance of the leave, especially if the leave is foreseeable.

If the employee's premium payment is more than 30 days late, his/her health coverage will be canceled. Employees experiencing severe financial hardship may petition the Town Manager for consideration of alternatives for payment of the employee premium. This may include but not be limited to: payment of employee health insurance premiums by the Town while on unpaid leave and subsequent double deductions of health insurance premiums upon the employee's return to work. This petition must be made within the thirty days noted previously. The Town Manager will make a recommendation to the Board of Selectmen or their designee for final determination.

The Town will recover from the employee premiums paid during any period of unpaid FMLA leave if the employee fails to return to work after the FMLA leave entitlement has expired, except in instances of continuation, reoccurrence, or onset of qualifying FMLA leave circumstances or other circumstances beyond the control of the employee.

When circumstances allow for the Town to recover health insurance premium payments it made from a non-returning employee, the Town may deduct the amount due from any sums owed to the employee. For example: vacation or final paycheck.

RESTORATION TO POSITION:

An eligible employee who takes FMLA leave is entitled to be restored to the same position that the employee held when the leave started, or to an equivalent position with equivalent benefits, pay, and other terms and conditions of employment, provided the employee returns to work at the conclusion of leave of 12 workweeks or less.

Employees on FMLA leave due to their own serious health condition must submit certification from the health care provider that the employee is able to resume work, i.e., is fit for duty, before they can return to work.

DENIAL:

Conditions under which FMLA leave and/or reinstatement may be denied including (but not limited to):

1. ineligibility of employee,
2. unqualified for leave under the Family and Medical Leave Act,
3. employee fails to give timely advance notice for foreseeable leave (temporary denial up to thirty days after employee provides notice of need),
4. employee fails to provide in a timely manner, requested medical certification (temporary denial up to time of submittal),
5. employee fails to supply fitness-for-duty certificate (up to time of submittal),
6. if employee's job is eliminated during period of leave.

Leaves (continued)

7. employee unequivocally advises Town of intent not to return to work,
8. fraudulent acquisition of FMLA leave, and
9. employment with another employer while on FMLA leave.

B. PARENTAL LEAVE (As outlined by Massachusetts Parental Leave Act (PLA), MGL Ch. 149, s. 105D)

An employee who has completed the initial probationary period set by the terms of their employment or, if there is no such probationary period, has been employed by the same employer for at least three consecutive months as a full-time employee, is absent from such employment for a period not exceeding eight weeks for the purpose of giving birth or for adopting a child under the age of eighteen or for adopting a child under the age of twenty-three, if the child is mentally or physically disabled, said period to be hereinafter called parental leave, and who shall give at least two weeks' notice to their employer of the anticipated date of departure and intention to return, shall be restored to their previous, or a similar, position with the same status, pay, length of service credit and seniority, wherever applicable, as of the date of their leave. Said leave may be with or without pay at the discretion of the employer.

Such employer shall not be required to restore an employee on parental leave to their previous or a similar position, if other employees of equal length of service credit and status in the same or similar positions have been laid off due to economic conditions or other changes in operating conditions which have affected the employment of others during the period of such leave; provided, however, that such employee parental leave shall retain any preferential consideration for another position to which they may be entitled as of the date of their leave.

Such leave shall not affect the employee's right to receive vacation time, sick leave, bonuses, advancement, seniority, length of service credit, benefits, plans or programs for which said employee was eligible at the date of such leave, and any other advantages or rights of employment incident to their employment position; provided, however, that such parental leave shall not be included, when applicable, in the computation of such benefits, rights, and advantages; and provided, further, that the employer need not provide for the cost of any benefits, plans, or programs during the period of parental leave unless such employer so provides for all employees on leave of absence. Nothing in this section shall be construed to affect any bargaining agreement or company policy, which provides for greater or additional benefits than those required under this section.

A notice of this provision shall be posted in every establishment.

For the purposes of this section, an "employer" shall be defined as in subsection 5 of Section One of M.G.L. Chapter One hundred and fifty-one B [MGL c.151B, §1 (5)].

An employee seeking leave must give two weeks' notice of the anticipated date of departure and intent to return. "Anticipated" date of departure does not mean "exact" date. Thus, for example, an employee who gives birth prior to the anticipated departure date is entitled to start the parental leave earlier. Likewise, an employee may desire to start the leave later or return from leave earlier than anticipated. It is expected that employers and employees will communicate in good faith with regard to making arrangements for such leave, taking into account the uncertainty inherent in delivery and adoption dates and the needs of the employer to plan in advance for an employee's absence. The MCAD enforces the PLA. An employee, to initiate a formal action, must file a complaint with the MCAD. The complaint must be filed within 300 days of the alleged violation of the PLA, subject only to very limited exceptions. A violation of the PLA constitutes a violation of M.G.L. c. 151B, §4(11A). An aggrieved employee is therefore entitled to the same remedies under the PLA as are available pursuant to M.G.L. c. 151B.

Appendix B

Leaves (continued)

C. SMALL NECESSITIES LEAVE (“SNLA”)

All eligible employees are entitled to take up to a total of 24 hours leave during the 12-month period, as defined in the FMLA policy, to:

- (1) participate in school activities directly related to the educational advancement of a son or daughter of the employee, such as parent-teacher conferences or interviewing for a new school;
- (2) accompany the son or daughter of the employee to routine medical or dental appointments, such as check-ups or vaccinations; and
- (3) accompany an elderly relative of the employee to routine medical or dental appointments or appointments for other professional services related to the elder’s care, such as interviewing at nursing or group homes.

“School” includes public and private elementary and secondary schools, Head Start programs, and children’s day care facilities licensed under Massachusetts’ law.

Eligible employees are individuals who have worked for the Town for at least twelve months and provided at least 1,250 hours of service during the twelve months before leave commences.

In all circumstances, accrued vacation and personal leave must be used for SNLA leave. Upon depletion of available accrued vacation and personal leave, SNLA becomes unpaid leave. Vacation and personal leave run concurrently with SNLA when the leave is for an

SNLA a qualifying reason.

Eligible employees will provide written notice of their intent to use SNLA leave to the Town Manager seven days in advance when the leave is foreseeable. When unforeseen events occur that require SNLA leave the employee must provide as much notice as practicable.

All notifications, certifications and questions relating to this policy, must be submitted to the Town Manager.

- A. Extended Medical Leave: A medical leave may be extended until the employees are physically able to return to work, up to a period of six months. The duration of the medical leave must be supported by the employees’ doctor in a written statement directed to the Town.
- B. Parental Leave: Leave of up to eight weeks will be granted for the purpose of childbirth, or for a male or female employee adopting a child under three years of age. Employees have to give notice of the date of their departure and their intent to return to work. The employee will return to her original position or a similar one. Leave under this provision runs concurrently with Family Medical Leave Policy.
- C. Personal Leave: The Town may grant a leave of absence for compelling personal reasons provided adequate arrangement can be made for employee’s responsibilities during the absence. Employees must have been employed over one year as a regular full-time employee or have equivalent part-time service. The leave may not exceed three months.

The employee must notify the Department Head and Human Resources Department far enough in advance to allow for the approval and to make adequate arrangements.

All accrued vacation time not used may not extend the period of such leave. All benefits will continue for the length of the personal leave to a maximum of three months. Total monthly group insurance premiums must be paid in advance by the employee.

Appendix B

Leaves (continued)

- D. Military Leave: Employees who held permanent positions prior to entering military service are entitled to reinstatement. Employees inducted into the Armed Forces will be expected to show a copy of their military orders to their Department Head who will make a copy of these orders and send them to the Board for the employee's file.

Employees must present a certificate showing satisfactory completion of service. Employees returning from military service will be restored to their former position or a position of like status and pay if such employees apply for reinstatement within 90 days from date of honorable discharge from military service.

Once employees are reinstated, they are entitled to the service date they had when they entered military service plus whatever additional service time, they would have accumulated had they remained at their job. If the rate of pay for the same position has been increased, they are entitled to the higher pay.

The leave of absence will terminate upon an employee's failure to apply for reinstatement within 90 days of honorable discharge.

Service time will continue to accrue for the duration of a military leave, but will not accrue beyond a maximum of 5 years.

While in the Armed Service, insurance coverage will be discontinued.

- E. Reserve Obligation Military Leave: The Town will grant a leave annually to permanent full-time employees who are ordered into military service for 15 days or less. This leave is in addition to the normal vacation to which they are entitled. The two-week military time will not be counted as vacation time unless requested by the employee. Reserve training will not be considered an interruption of Town Employment for purposes of computing service date.

Group insurance coverage will continue unchanged during this 15-day Reserve training period. Employees who leave their job to perform military service, have the right to elect to continue their existing employer-based health plan coverage for themselves and their dependents for up to 24 months while in the military.

D. SPECIAL SHORT-TERM LEAVE WITH PAY

1. Bereavement: Employees must notify their Department Head of any and all bereavement leave. They shall have up to five (5) consecutive work days off for time necessarily lost, without loss of pay, in the event of a death in the employee's immediate family, namely, spouse, child, stepchild, parent, stepparent, sibling, or stepsibling to be used at the option of the employee within (30) calendar days of the loss.

Employees shall have up to four (4) consecutive work days off for time necessarily lost, without loss of pay, in the event of the death in the employee's grandparent, grandchild, mother-in-law, father-in-law, sister-in-law, or brother-in-law to be used at the option of the employee within (30) calendar days from the date of loss. Employees shall have one (1) work day off for time necessarily lost, without loss of pay, in the event of the death of the employee's aunt, uncle, niece or nephew to attend services. The days of this bereavement leave shall be reduced, or not allowed, if the period of funeral leave occurs while the employee is on sick leave or other leave of absence except for vacation leave, in which case the leave will be re-credited to the employee.

In the event that the internment or memorial service for any of the above-named relatives is to occur at a time beyond the bereavement leave granted, the employee may request to defer some, or all of the days to the later date.

Appendix B

Leaves (continued)

These leaves may be extended without pay at the discretion of the Department Head with the concurrence of the Town Manager for justifiable reasons.

2. Jury Duty: In order that the employees on jury duty will not lose time and money by being impaneled as jurors, the Town will reimburse the employees the difference in wages earned as a juror and what their normal earnings would have been had they been working for the Town.

The employees, upon receipt of notice, will immediately inform their Department Head of their call to jury duty. The Department Head should note on the payroll time sheet, the moneys to be paid the employees to compensate them for the earnings lost while on jury duty. The employee's check or check stub from the court should be presented to the Town Accountant upon receipt for verification of wages earned.

In all cases jury duty shall conform to the procedures specified under the One Trial Jury System mandated by General Laws Chapter 234A.

3. Court Appearance: Employees who are required to appear in court for personal reasons not related to work, such as but not limited to, serving as a witness, must use available personal or vacation time to provide pay in situations where they will be out of work.

An employee required to appear as a witness in connection with his/her duties as a Town employee in any court proceeding shall be paid the difference between the amount for being said witness, less any witness travel allowance, and the employees the base rate.

An employee seeking compensation in accordance with this section shall notify the Department Head after receipt of the notice of summons to appear as a witness in connection with his/her duties as a Town employee and shall furnish written statement to the town showing dates of service, time served, and amount of compensation received.

4. Personal Day: After the ninety (90) working days, up to three (3) days leave with pay may be granted by the employee's Department Head (or the Town Manager if the employee is a Department Head) in any one year for personal or private reasons. Personal days may not be accumulated and no payment shall be made at termination for unused days. However, employees may carry over one personal day to the next year, for use within the first six (6) months. After ten (10) years of consecutive employment, up to four (4) days personal leave with pay shall be granted annually. No deduction will be made from sick leave credit. These personal days may be granted to regular part-time employees on a pro-rated schedule commensurate with their annual hours worked.

Appendix C Policies

All policies are subject to annual review and revision of the applicable statute.

A. *BACKGROUND INVESTIGATION POLICY*

The purpose of this policy is to describe the terms and conditions under which background checks are conducted; background checks serve as an important part of the selection process.

The Town of Duxbury conducts background and reference checks on all candidate's post-offer (contingency offer). The Town may also use a third-party administrator to conduct background checks. The type of information collected by this agency includes, but is not limited to, a criminal background check, education, driving record, employment history, credit, professional and personal references. This process is conducted to verify the accuracy of the information provided by the candidate and determine his/her suitability for employment.

The Town will ensure that all background checks are held in compliance with applicable federal and state statutes, such as the Fair Credit Reporting Act.

All criminal background screens are conducted post-offer (contingency offer). However, as part of Title VII of the Civil Rights Act, this information cannot be used as a basis for denying employment, unless it is determined to be job-related.

The Town reserves the right to make the sole determination concerning information or any employment decision arising out of the background check, and to require that all contractors who routinely perform work for the Town to comply with this policy.

Offer of Employment Process: Once a candidate has been identified for hire, the hiring manager makes a verbal conditional offer of employment informing the candidate that it is contingent upon the successful results of the background check. The Human Resources Department then conducts any and all applicable background checks on the final candidate, using the Authorization and General Release Form and Town Employment Application. Once a satisfactory background result is received, the hiring manager will be notified to extend a final offer of employment and a start date to the successful candidate.

General Guidelines:

- **NEW HIRES:** Background checks are required for all new hires. This includes all full-time, part-time, seasonal and temporary employees. The background check must be completed and results verified before any employee begins work. At no time should an employee begin work until Human Resources has verified results of the background check.
- **REHIRES:** A background check is required for all rehires.
- **EMPLOYMENT CONTINGENCY:** Background checks are to be processed after a conditional offer of employment has been extended to the applicant. Note: The final offer of employment is contingent upon the successful results of the background check.

Appendix C

Policies (continued)

- **AUTHORIZATION BY APPLICANT:** The candidate must authorize the background check. This is done by having the applicant complete the Authorization/General Release Form. This form can be sent via e-mail to the candidate. To expedite the process, the candidate may fax the completed and signed form to the Human Resources Department.

STATEMENT ON SOCIAL JUSTICE: Background investigations may produce reports of felony and misdemeanor convictions incurred by applicants or employees. Some of those convictions may be those that the Town considers social justice issues. Other convictions may be for situations that are not relevant because they occurred a long time ago, pose little or no threat to our employees, vulnerable youth or adults. The Town supports employees engaged in social justice issues and will give careful consideration to both the type and relevance of the actions that led to any arrests or convictions.

The Town acknowledges that racism, discrimination, and homophobia exist, and those issues shall be examined in reviewing individual reports. When the Town receives information about an employee or candidate that raises concerns, experts may be called in when necessary—including the Town’s employment attorney and/or social justice advocates with special knowledge, sensitivity, and experience with similar issues.

The Town also acknowledges that, while the background investigations may reduce the liability to our general resident population, especially the children, youth, and vulnerable adults of our town and our employees, we are not necessarily safer because of the background investigations. Technology and state-to-state tracking of convictions are not totally reliable.

Note: All applicants must complete an Employment Application and an Authorization and General Release Form as those are required by the third-party administrator conducting the background check.

Verification of Background Checks

1. The results of the background check will be sent directly to the Human Resources Director or Human Resources Manager.
2. The Human Resources Director or the Human Resources Manager will review the report, any discrepancies, or criminal history noted. The Human Resources Department reserves the right to consult with the hiring department, Town Manager, or any other pertinent office before a final determination is made.
3. If the background check is favorable, the Human Resources Department will notify the hiring manager that the candidate is approved to begin employment.

Adverse Action Notifications

1. If a background check is returned with unfavorable results, the Human Resources Department will notify the hiring manager.
2. The Human Resources Department will contact the candidate to inform him/her that the Town of Duxbury may rescind its conditional offer of employment and that he/she will receive written notification from our third-party administrator including a summary of the candidate’s rights under the Fair Credit Reporting Act. The third-party administrator will give the candidate the opportunity to review a copy of the report, which informs him/her of his/her rights to dispute inaccurate information.

Appendix C

Policies (continued)

B. CRIMINAL OFFENDER RECORD INFORMATION (CORI) POLICY

All Personnel Policies employees are required to be CORIed every two years. In addition, employees must immediately report to their supervisor any and all criminal proceedings or court appearances.

This policy is applicable to the criminal history screening of prospective and current employees, subcontractors, volunteers and interns of the Town of Duxbury. Please note that the Town of Duxbury Police Department maintains its own CORI Policy governing police and dispatch operations requiring CORIs annually per the Massachusetts Department of Criminal Justice Information Services (“DCJIS”).

Where Criminal Offender Record Information (“CORI”) and other criminal history checks may be part of a general background check for employment, volunteer work and licensing purposes, the Town will follow the practices and procedures described in this Policy.

I. CONDUCTING CORI SCREENING

CORI checks will only be conducted as authorized by the Massachusetts Department of Criminal Justice Information Services MGL c. 6, § 172, the Personnel Policies and any applicable Collective Bargaining Agreements, and only after a CORI Acknowledgement Form has been completed.

If a new CORI check is to be made on a subject within a year of his/her signing of the CORI Acknowledgement Form, the subject shall be given seventy-two (72) hours’ notice that a new CORI check will be conducted.

A new CORI Acknowledgement Form shall be completed for each and every subsequent CORI check.

II. ACCESS TO CORI

All CORI obtained from the DCJIS is confidential, and access to the information must be limited to those individuals who have a “need to know”. This may include, but not be limited to, hiring managers, staff submitting the CORI requests, and staff charged with processing job applications. The Town of Duxbury must maintain and keep a current list of each individual authorized to have access to, or view CORI, depending on the circumstances. This list must be updated every six (6) months and is subject to inspection upon request by the DCJIS at any time.

III. CORI TRAINING

An informed review of a criminal record requires training. Accordingly, all personnel authorized to conduct criminal history background checks or to review or access CORI for the Town of Duxbury will review, and will be thoroughly familiar with, the educational and relevant training materials regarding CORI laws and regulations made available by the DCJIS. The Town will provide this information to such personnel.

IV. USE OF CRIMINAL HISTORY IN BACKGROUND SCREENING

CORI used for employment purposes shall only be accessed for applicants who are otherwise qualified for the position for which they have applied.

Appendix C

Policies (continued)

Unless otherwise provided by law, a criminal record will not automatically disqualify an applicant. Rather, determinations of suitability based on background checks will be made consistent with this policy and any applicable law or regulations.

V. VERIFYING A SUBJECT'S IDENTITY

If a criminal record is received from the DCJIS, the information is to be closely compared with the information on the CORI Acknowledgement Form and any other identifying information provided by the applicant to ensure the record belongs to the applicant.

If the information in the CORI record provided does not exactly match the identity information provided by the applicant, a determination as to whether the CORI references the applicant is to be made by an individual authorized to make such determinations based on a comparison of the CORI record and documents provided by the applicant.

VI. INQUIRING ABOUT CRIMINAL HISTORY

In connection with any decision regarding employment, or volunteer opportunities, the subject shall be provided with a copy of the criminal history record, whether obtained from the DCJIS or from any other source, prior to questioning the subject about his or her criminal history. The source(s) of the criminal history record is also to be disclosed to the subject. The applicant shall be given an opportunity and reasonable amount of time to correct or provide information on the information contained in the CORI or criminal history record.

If an authorized official is inclined to make an adverse decision based solely on the results of a criminal history background check, the applicant will be notified immediately. The applicant will then be provided with an opportunity to dispute the accuracy of the CORI record. The Town will also provide the applicant with a copy of DCJIS' *Information Concerning the Process for Correcting a Criminal Record*.

VII. DETERMINING SUITABILITY

If a determination is made, based on the information as provided in section V of this policy, that the criminal record belongs to the subject, and the subject does not dispute the record's accuracy, then the Town may use the information to assist in making a determination of suitability for the position or license. Unless otherwise provided by law, factors considered in determining suitability may include, but not be limited to, the following:

- (a) Relevance of the record to the position sought;
- (b) The nature of the work to be performed;
- (c) Time since the conviction;
- (d) Age of the candidate at the time of the offense;
- (e) Seriousness and specific circumstances of the offense;
- (f) The number of offenses;
- (g) Whether the applicant has pending charges;
- (h) Any relevant evidence of rehabilitation or lack thereof; and
- (i) Any other relevant information, including information submitted by the candidate or requested by the organization.

The Town shall notify the applicant of its decision and the basis for it in a timely manner.

Appendix C

Policies (continued)

VIII. ADVERSE DECISIONS BASED ON CORI

If an authorized official is inclined to make an adverse decision based on the results of a criminal history background check, the applicant will be notified immediately. The subject shall be provided with a copy of the organization's CORI policy and a copy of the criminal history. The source(s) of the criminal history will also be revealed. The subject will then be provided with an opportunity to dispute the accuracy of the CORI record. Subjects shall also be provided a copy of DCJIS' Information Concerning the Process for Correcting a Criminal Record.

IX. SECONDARY DISSEMINATION LOGS

All CORI obtained from the DCJIS is confidential and can only be disseminated as authorized by law and regulation. A central secondary dissemination log shall be used to record *any* dissemination of CORI outside this organization, including dissemination at the request of the subject.

X. TOWN DEPARTMENTS, EMPLOYEES, LICENSEES, APPLICANTS SUBJECT TO CORI CHECKS.

Appendix C

Policies (continued)

C. ANTI-HARASSMENT POLICY

It is the goal of our Town to promote a workplace that is free of discriminatory harassment (“harassment”) of any type, including sexual harassment. Discriminatory harassment consists of unwelcome conduct, whether verbal or physical, that is based on a characteristic protected by law, such as gender, gender identity, gender expression, race, color, national origin, ancestry, religion, age, disability, genetics, active military status, veteran status, sexual orientation, criminal record, parental leave, any other group deemed protected by a government agency or participation in discrimination complaint-related activities (retaliation). Our Town will not tolerate harassing conduct that affects employment conditions, that interferes unreasonably with an individual’s performance, or that creates an intimidating, hostile, or offensive work environment.

Because the Town takes allegations of harassment seriously, we will respond promptly to complaints of harassment. Where it is determined that inappropriate conduct has occurred, we will act promptly to eliminate the conduct and impose such corrective action as is necessary, including disciplinary action where appropriate.

Please note that while this policy sets forth our goals of promoting a workplace that is free of harassment, the policy is not designed or intended to limit our authority to discipline or take remedial action for workplace conduct, which we deem unacceptable, regardless of whether that conduct satisfies the definition of harassment.

I. Definitions

“Harassment” means unwelcome conduct, whether verbal or physical, that is based on a characteristic protected by law. Harassment includes, but is not limited to:

1. Display or circulation of written materials or pictures that are degrading to a person or group as previously described.
2. Verbal abuse, slurs, derogatory comments, or insults about, directed at, or made in the presence of an individual or group as previously described.

“Sexual harassment” means unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when:

1. Submission to such conduct is made either explicitly or implicitly a term or condition of an individual’s employment;
2. Submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual; or
3. Such conduct has the purpose or effect of unreasonably interfering with an individual’s work performance or creating an intimidating, hostile, or offensive working environment.

Under these definitions, direct or implied requests by a supervisor for sexual favors in exchange for actual or promised job benefits such as favorable reviews, salary increases, promotions, increased benefits, or continued employment constitutes sexual harassment.

The definition of sexual harassment is broad. In addition to the above examples, other unwelcome sexually oriented conduct, whether intended or not, that has the effect of creating a work environment that is hostile, offensive, intimidating, or humiliating to either male or female workers may also constitute sexual harassment.

While it is not possible to list all those additional circumstances that may constitute sexual harassment, the following are some examples of conduct, which, if unwelcome, may constitute sexual harassment depending upon the totality of the circumstances including the severity of the conduct and its pervasiveness:

- Unwelcome sexual advances – whether they involve physical touching or not;
- Sexual epithets, jokes, written or oral references to sexual conduct, gossip regarding one's sex life; comment on an individual's body, comment about an individual's sexual activity, deficiencies, or prowess;
- Displaying sexually suggestive objects, pictures, cartoons;
- Unwelcome leering, whistling, brushing against the body, sexual gestures, suggestive or insulting comments;
- Inquiries into one's sexual experiences; and,
- Discussion of one's sexual activities.

All employees should take special note that, as stated above, retaliation against an individual who has complained about sexual harassment, and retaliation against individuals for cooperating with an investigation of a sexual harassment complaint is unlawful and will not be tolerated by the Town.

II. Complaint Procedures

All employees, managers, and supervisors of the town share responsibility for avoiding, discouraging, and reporting any form of discriminatory harassment. The primary responsibility for ensuring proper investigation and resolution of harassment complaints rests with the Human Resources Director or his/her designee, who will administer the policy and procedures described herein.

If any of our employees believe that he or she has been subjected to discriminatory harassment, the employee has the right to file a complaint with our organization. This may be done in writing or orally. In addition, residents, visitors, applicants, vendors, contractors, their agents and employees, or other third parties who believe they have been subjected to discriminatory harassment may also file a complaint using the procedures described herein. Furthermore, employees may also file a complaint, if they have been subjected to harassment from residents, visitors, applicants, vendors, contractors, their agents and employees, or any other third parties in the workplace, while performing work-related duties, or during other work-related activities.

Prompt reporting of harassment is in the best interest of our organization and is essential to a fair, timely, and thorough investigation. Accordingly, complaints should be filed as soon as possible following the incident(s) at issue. If you would like to file a complaint, you may do so by contacting the Jeannie Horne, Human Resources Director 878 Tremont Street at 781/934-1100, 5410, or Rene' Read, Town Manager, 878 Tremont Street at 781/934-1100, 5400. These individuals are also available to discuss any concerns you may have and to provide information to you about our policy on harassment and our complaint process.

Appendix C

Policies (continued)

III. Complaint Investigation

When we receive the complaint, we will promptly investigate the allegation in a fair and expeditious manner to determine whether there has been a violation of our policy. The investigation will be conducted in such a way as to maintain confidentiality to the extent practicable under the circumstances. Our investigation will include private interviews with the person filing the complaint and with witnesses. We will also interview the person alleged to have committed harassment. The complainant, the person alleged to have committed harassment, and all witnesses are required to fully cooperate with all aspects of an investigation. Attorneys are not permitted to be present or participate in the complaint investigation. When we have completed our investigation, we will, to the extent appropriate, inform the person filing the complaint and the person alleged to have committed the conduct of the results of that investigation.

Notwithstanding any provision of this policy, we reserve the right to investigate and take action on our own initiative in response to behavior and conduct, which may constitute harassment or otherwise be inappropriate, regardless of whether an actual complaint has been filed.

If it is determined that inappropriate conduct has occurred, we will act promptly to eliminate the offending conduct, and where it is appropriate, we will also impose disciplinary action.

IV. Protection Against Retaliation

Harassment of employees occurring in the workplace, in connection with work-related travel, and/or work-sponsored events will not be tolerated. Further, any retaliation against an individual who has complained about harassment or retaliation against individuals for cooperating with an investigation of a harassment complaint is similarly unlawful and will not be tolerated.

V. Disciplinary Action

If the Town determines that harassment occurred, it will take action to end the harassment. Steps and other recommendations may include, but are not limited to, assessments, counseling, or treatment as a condition of employment; other steps may also include, and again are not limited to, warnings, probation, transfers, suspension, and/or termination of employment. The Town will also offer to the victim of harassment—upon request—counseling.

VI. Frivolous Claims

If an employee brings a claim that is known to be untrue, the employee may be subject to disciplinary action.

Policies (continued)

VII. State and Federal Remedies

In addition to the above, if you believe you have been subjected to discriminatory harassment of any type, including sexual harassment, you may file a formal complaint with either or both of the government agencies set forth below. Using our complaint process does not prohibit you from filing a complaint with these agencies. Each of the agencies requires that claims be filed within 300 days from the alleged incident of when the complainant became aware of the incident.

The Town commits itself and its employees, within the context of state and federal civil rights laws, to ensure equitable participation of employees of all backgrounds in all of its daily operations.

This policy applies to all employment practices and employment programs sponsored by the town. This policy shall apply, but not be limited to, the areas of:

Because the Town takes allegations of discrimination seriously, we will respond promptly to complaints and where it is determined that inappropriate conduct has occurred, we will act promptly to eliminate the conduct and impose any necessary corrective action, including disciplinary action.

II. Discriminatory Harassment

The Town's separate Anti-Harassment Policy details our commitment to a workplace free to any verbal or physical conduct, which is unwelcome, severe or pervasive, and related to membership or perceived membership in a protected class.

III. Reasonable Accommodation

Employees seeking reasonable accommodations may submit their request in writing to the Town of Duxbury's Human Resources Director, Jeannie Horne at 878 Tremont Street or 781/934-1100, 5410.

V. Discrimination Investigation

The Town will promptly investigate the allegation in a fair and thorough manner. The investigation will be conducted in such a way as to maintain confidentiality to the extent practicable under the circumstances.

The investigation will include private interviews with the person filing the complaint, the person alleged to have committed the discrimination, and relevant witnesses. When we have completed our investigation, we will, to the extent appropriate, inform the person filing the complaint and the person alleged to have committed the conduct of the results of that investigation. If it is determined that inappropriate conduct has occurred, we will act promptly to eliminate the offending conduct, and where it is appropriate, we will also impose disciplinary action.

The Whistleblower Policy of the Town of Duxbury: (1) encourages persons in appointed, elected and volunteer positions to come forward with credible information on illegal practices or serious violations of adopted policies of the Town of Duxbury; (2) specifies that Town of Duxbury will protect the person from retaliation; and (3) identifies where such information can be reported.

1. **Encouragement of reporting:** The Town of Duxbury encourages complaints, reports, or inquiries about illegal practices or serious violations of the Town's policies, including illegal or improper conduct by the Town itself, by its leadership, or by others on its behalf. Appropriate subjects to raise under this policy would include financial improprieties, accounting or audit matters, ethical violations, or other similar illegal or improper practices or policies. Other subjects, on which the Town has existing complaint mechanisms, should be addressed under those mechanisms, such as matters of alleged discrimination or harassment, which are handled via the Town's Human Resources channels, unless those channels are themselves implicated in wrongdoing. This policy is not intended to provide a means of appeal from outcomes in those other mechanisms.
2. **Protection from retaliation:** The Town of Duxbury prohibits retaliation by or on behalf of the Town against staff or volunteers for making good faith complaints, reports, or inquiries under this policy or for participating in a review or investigation under this policy. This protection extends to those whose allegations are made in good faith but prove to be mistaken. The Town reserves the right to discipline persons who make bad faith, knowingly false, or vexatious complaints, reports or inquiries or who otherwise abuse this policy.

3. Where to report: Complaints, reports, or inquiries may be made under this policy on a confidential basis. The reporting party should describe in detail the specific facts demonstrating the basis for the complaints, reports, or inquiries. They should be directed to the Human Resources Director, if this person is implicated in the complaint, report, or inquiry, the complaint should be directed to the Town Manager. If both of those persons are implicated in the complaint report or inquiry, the complaint should be directed to the Chairperson of the Select Board. The Town of Duxbury will conduct a prompt, discreet, and objective review or investigation; no party to the investigation, or the employee of the Town, shall disclose information about the review or investigation to anyone not involved in the investigation.

Appointed, elected, and volunteer positions must recognize that the Town may be unable to fully evaluate a vague or general complaint, report, or inquiry.

F. DOMESTIC VIOLENCE LEAVE ACT POLICY

I. Administrative Policy

It is the Administrative Policy of the Town of Duxbury to implement and administer the provisions of An Act Relative to Domestic Violence. This law is intended to reduce domestic violence, and to provide victims and family members of victims of domestic violence protected work leave for qualifying reasons associated with domestic violence.

II. Definitions

Eligible Employees: All employees who are employed by an employer of fifty (50) or more employees and have exhausted all vacation, personal, or sick leave.

Qualifying events: “Domestic Violence” against an eligible employee or “Family Member” (unless the employee is the perpetrator of violence against the family member) for qualifying reasons.

Domestic violence: Abuse against an employee or the employee’s family member by a current or former spouse of the employee or the employee’s family member, a person with whom the employee or the employee’s family member shares a child in common, a person who is cohabitating with or has cohabitated with the employee or the employee’s family member, a person who is related by blood or marriage to the employee, or a person with whom the employee or employee’s family member has or had a dating or engagement relationship.

Family Member: Persons who are married to one another, persons in a substantive dating or engagement relationship and who reside together, persons having a child in common regardless of whether they have ever married or resided together, a parent, step-parent, child, step-child, sibling, grandparent or grandchild, or persons in a guardianship relationship.

Length of Leave: The leave entitlement under An Act Relative to Domestic Leave is up to fifteen (15) unpaid days of Domestic Violence Leave in a twelve (12) month period to employees who qualify to seek or obtain medical attention, counseling, victim services or legal assistance, secure housing, obtain a protective order from a court, appear in court or before a grand jury, meet with a district attorney or other law enforcement official, attend child custody proceedings or address other issues directly related to the abusive behavior against the employee or family member of the employee.

Appendix C
Policies (continued)

III. Procedure

Notice Requirement: An employee submitting for Domestic Violence Leave is required to inform the employer prior to taking such leave, unless there is an imminent danger to the health or safety of an employee or the employee's family member. However, in the case of imminent danger, the employee shall notify the employer within three (3) workdays that the leave was taken.

IV. Effect of Benefits

- A. An employee granted a leave under this policy will continue to be covered under the employer's group health insurance plans and life insurance plans under the same conditions as coverage would have been provided if he/she had been continuously employed during the leave period.
- B. If the employee fails to return from domestic violence leave, the employer may seek reimbursement from the employee for the portion of the premiums it paid on behalf of that employee (also known as the employer contribution) during the employee's leave.
- B. An employee shall be in an unpaid leave status for the duration of the leave.

V. Job Protection

- A. If the employee returns to work within the time permitted, a maximum of fifteen (15) days in a twelve (12) month period, he/she will be reinstated to his/her former position or an equivalent position with equivalent pay, benefits, status and authority.
- B. The employee's restoration rights are the same as they would have been had the employee not been on leave. Thus, the employee will be subject to any pay or benefit reductions or other adverse actions, including layoff, which he/she would have experienced if he or she had not taken leave under this policy.
- C. If the employee fails to return after qualifying leave under this section, the employee may be terminated, unless reinstated to his/her same or similar position, in accordance with applicable laws, other leave-related policies, and/or appropriate bargaining unit contract language.
