

Placing a Hold

Sometimes you can't borrow a title immediately, usually because another user has already borrowed it or the title hasn't been released yet. If the title's not available, you may be able to place a hold on that title and be notified by email when it's available.

You can place a hold through the online catalog or by calling the circulation desk. Holds can also be viewed, removed or suspended through your online catalog account Library Holds listing. Suspending a hold will keep you in line on the wait list, but not release the book to you until the End Date.
