

## Renewing Material

Most items can be renewed once by the patron and additional times by the calling the circulation desk if it is a Duxbury owned item and there are no holds. If there is a hold on the item by another patron, the item will not be able to be renewed.

An option called "autorenew" can be set up on the account which will automatically renew the items on your account **once** if there are no holds on the account. Contact the circulation desk if you have any questions. Confirmation on renewals is sent to the email on the account.
