Project Update

EXTERIOR RENDERING - OVERALL

EXTERIOR RENDERING – HIGH SCHOOL ENTRANCE

EXTERIOR RENDERING - MIDDLE SCHOOL ENTRANCE

Project Milestones

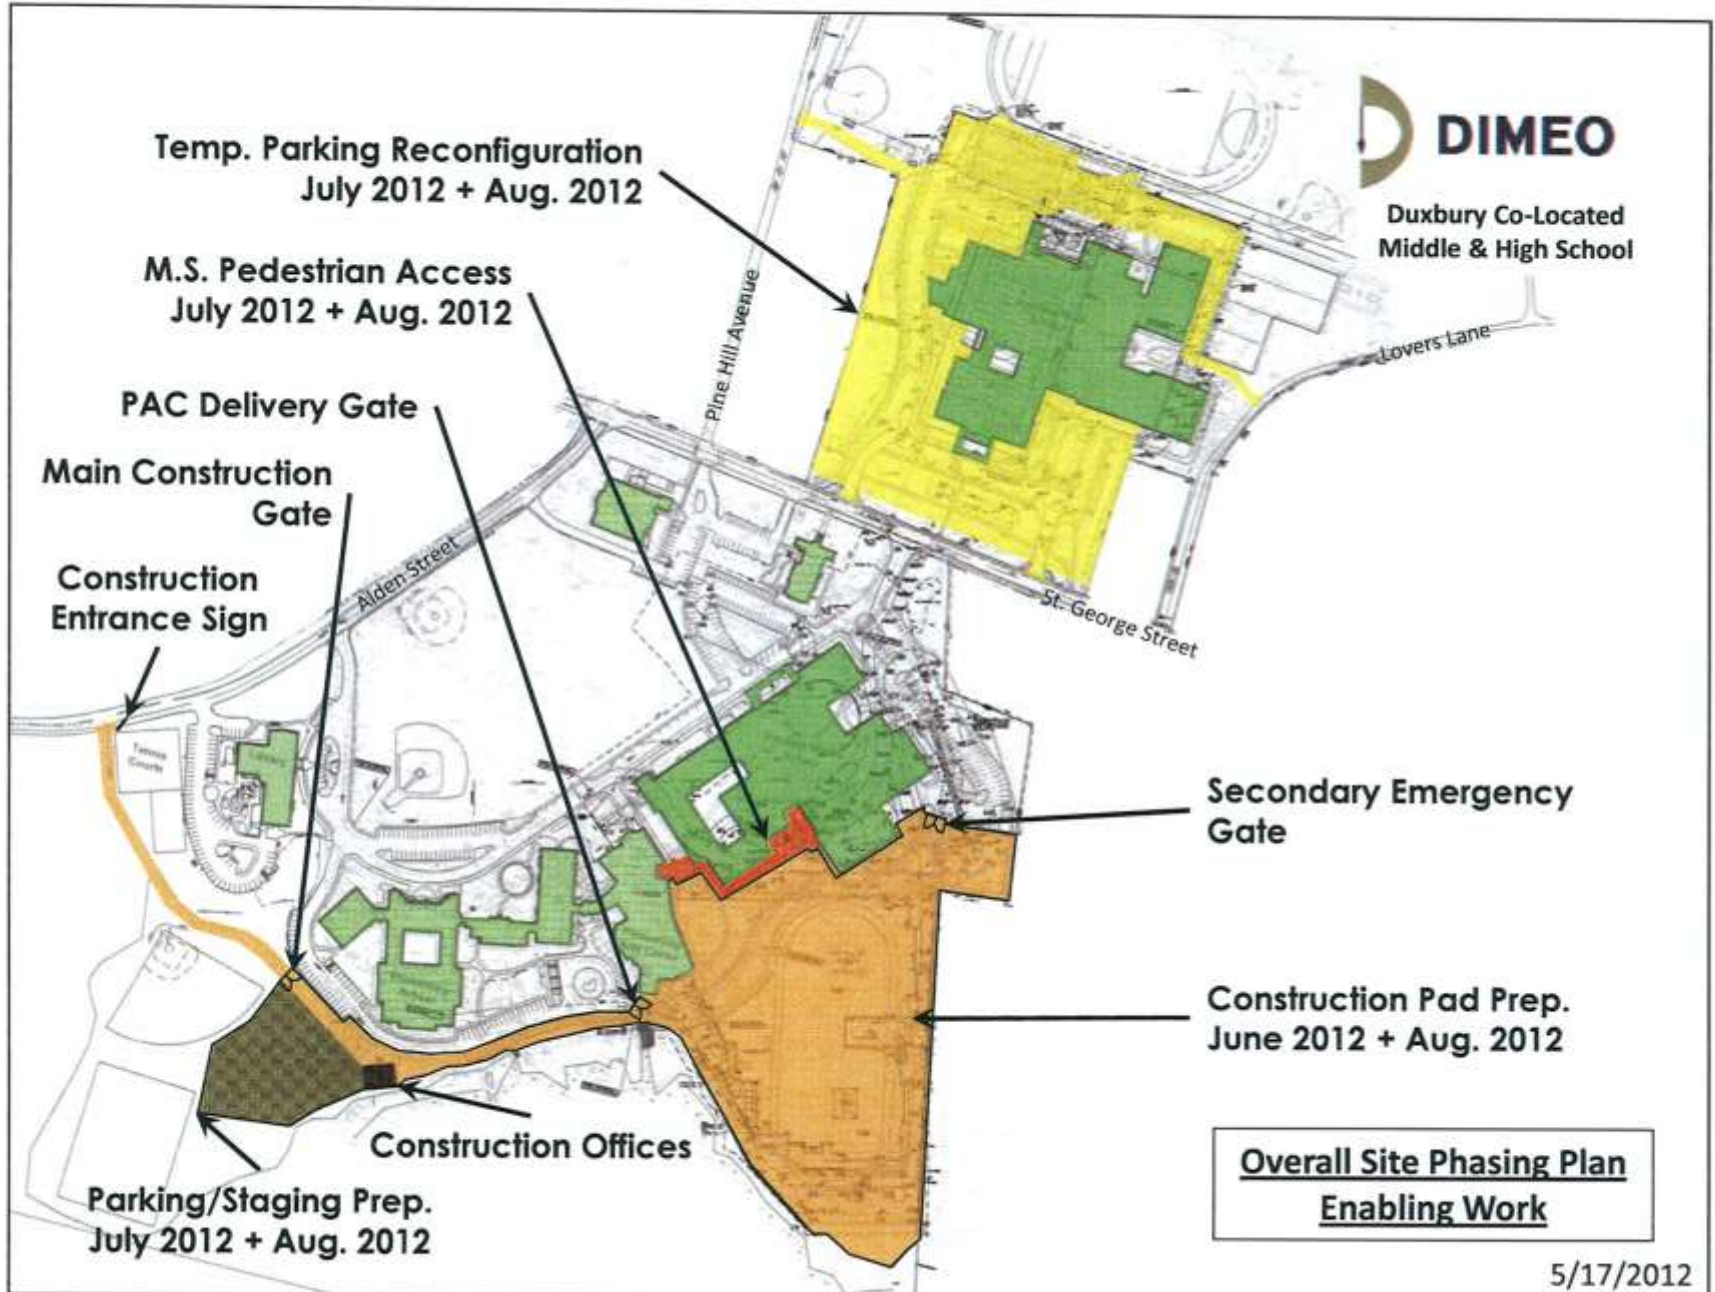

- **March 2009 – residents approved funds for feasibility study**
- **March 2010 – presented feasibility study with options**
- **July 2010 – MSBA invited into model school program**
- **Spring 2011 – selected MVG Architects to prepare schematic design**
- **September 2011 – MSBA voted to approve the project**
- **Fall 2011 – Approved project funding and start of final design**
- **January 2012 - Selected Dimeo Construction Company as CM**
- **June 2012 - MVG completed design**
- **Summer 2012 – Construction began**

Successes to date

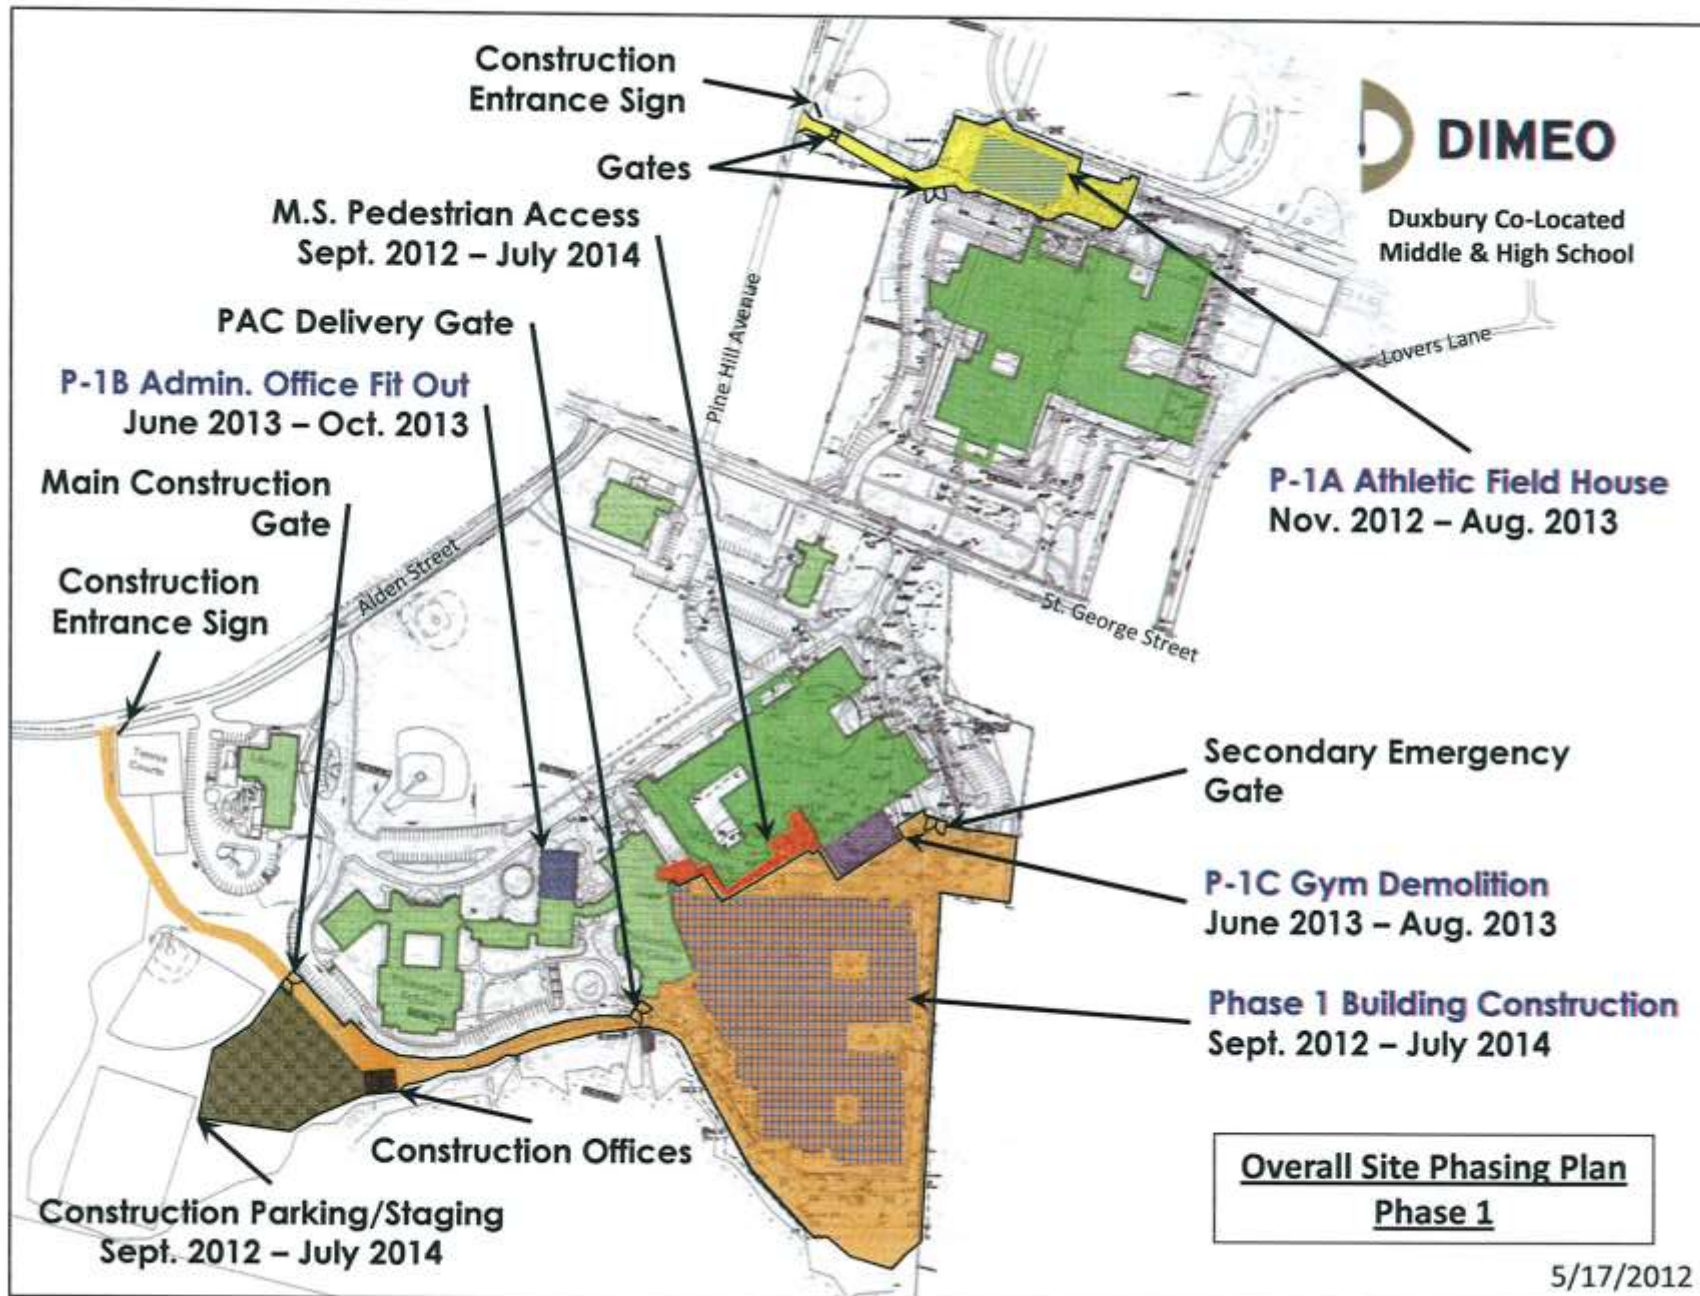

- **Dimeo developed plan to minimize construction impact on Town and campus**
- **Segregate construction entrance and operations**
- **Maximize parking spaces on campus so student parking maintained**
- **Residents have adapted to new traffic patterns on campus**
