

APPLICATION FOR TOWN GREEN- PERMIT PROCESS

Any person or group seeking to utilize the Town Green for any purpose, other than semi-active passive recreation, shall apply to the Duxbury Board of Selectmen for a permit for such use. Such application for a permit should be filed more than twenty-one (21) days prior to the proposed event and shall include a written description of the event, length of time of the event, and how the applicant plans to manage the special event traffic, parking and noise. The applicant shall simultaneously mail a copy of such application to all abutters within 300 feet of the Town Green property line as shown on the most recent Assessors List (list to be obtained at the Board of Selectmen/Town Manager's Office). The Board of Selectmen shall hold a public hearing as soon as possible following the filing of the application. The public shall have an opportunity to comment on the impact of the special event.

The Board of Selectmen, after hearing the proposed use of the Green, shall authorize said permit subject to any rules and conditions deemed appropriate by the Selectmen. The Selectmen may also impose the requirement of a cash bond to insure that such rules and conditions are satisfied.

In determining whether a permit shall issue, as well as whether rules and conditions should be imposed, the Selectmen shall consider the quiet contemplative nature of the Green and the adjacent properties as well as the terms of the Conservation Restrictions imposed on the Town Green and on the adjacent parcels.
