

## **TOWN OF DUXBURY**

### **UPDATE ON TOWN SERVICES AND RE-OPENING OF TOWN OFFICES**

The Town of Duxbury appreciates your patience and understanding during this challenging time as we continue to conduct Town business and also ensure the safety of the public and our employees.

At this time all Town buildings, offices and meeting spaces remain closed to visitors. However, every department remains open to staff and continues to conduct business virtually via phone, email, internet, US Mail. As necessary, most departments are now available by appointment on a case-by-case basis. (*Note: The Library is not taking appointments at this time and remains open to staff only*). Until further notice public meetings for some boards and committees (such as Board of Selectmen and Finance Committee), are being conducted virtually utilizing remote meeting technology. Some land use boards and committees, as allowed under a State Act, are not holding public hearings at this time as public hearings have different requirements than public meetings. If you have any questions, please contact the appropriate department, board or committee for more information regarding services, meetings and schedules. By July 13 a re-opening update will be provided in accordance with the related guidance at that time.

Below are some frequently asked questions that you may find helpful:

- ***How do I buy a beach sticker?*** Click [here](#) to purchase a sticker online or click [here](#) to print and complete a hardcopy form for residents and [here](#) for non-residents and follow the instructions provided.
